From The Administrators Office

I would like to address some of the suggestions I received in the Suggestion Box.

Suggestion #1: Would like to see more of a variety of food on the menu.

Answer: Right now we actually have too much on the menu. We are not a restaurant that is open every day; we are open only 3 times a week. If you have any suggestions of what you would like us to take off the menu and what you would like to see on the menu please feel free to let us know.

Suggestion #2: Food in the Kitchen not good. Smaller Portions.

Answer: The portions are the same they haven't changed. The Cooks in the kitchen are the same also so that hasn't changed.

Suggestion #3 We miss Sally

Answer: It was Sally's decision to resign and no one else's.

We would like everyone to come up and see the changes that have been made. We also would like you to come up and try our new steaks.

Some of the upcoming events are:

Shop with a Cop Dec 8th

Kids Christmas Party Dec 10th

New Years Eve Party Dec 31st.

Respectfully

Curt Carter

A Letter to the Editor

Changes are for the Better

I have been coming up to the Moose Lodge for dinners and other functions for many years. I have noticed the many changes, not only in the Lodge but also in the members.

I noticed that many of the regular patrons are no longer coming up and having dinner, using the Social Quarters or even the games because they are protesting the Lodge. I asked myself WHY?

Did the members ever stop and think that the reason these changes were made is to help make it more of a Family Orientated Lodge.

The pool table, the Wii, the X-Box, and Dart Boards are there so the Members have things to do.

The changes in the kitchen are in the dining room and nowhere else. The cooks that have been here for years are still here. The food is as good as before because of that. The items on the menu fit our Lodge because we serve meals 3(three) times a week only. We are not a regular restaurant that's open every day of the week. As far as I'm concerned the Kitchen Manager and Staff are doing a good job.

The Social quarters are still the same. It has the same great service, friendly bartenders, and a Bar Manager who listens to the members and gives them a great selection behind the Bar.

It was time for a change at our Lodge and I feel it's time for our members to SUPPORT our Lodge and not cut it down.
